IN RE:  INTERSTATE POWER AND LIGHT COMPANY	DOCKET NO. EEP-02-38
---	----------------------

**ORDER GRANTING INTERVENTION AND  
REQUEST FOR PERMISSION TO APPEAR**

(Issued December 30, 2003)

On December 23, 2003, the Iowa Consumers Coalition (ICC) filed with the Utilities Board (Board) a petition to intervene in Docket No. EEP-02-38. This docket involves Interstate Power and Light Company's (IPL) new energy efficiency plan and various related issues, including interruptible credits. The ICC is a group of large energy users who purchase electricity from IPL. Participating ICC members are American Ordnance L.L.C., CNH Global N.V., Cargill, Inc., Federal-Mogul Corporation, PPG Industries, Inc., and United States Gypsum Company. No objections to the petition to intervene have been filed.

In support of its petition to intervene, the ICC states that the rates and services received by its members will be affected by this ongoing energy efficiency proceeding. The petition to intervene will be granted. The ICC has demonstrated a unique interest in this ongoing docket that should be represented.

Accompanying the petition to intervene filed by the ICC was a request for permission to appear filed by James M. Bushee and Daniel E. Frank. Both attorneys are licensed to practice in other states, but not Iowa. Attached to the request was an appearance of Iowa counsel for purposes of service of process pursuant to Iowa Supreme Court rule 116. The request for permission to appear will be granted.

**IT IS THEREFORE ORDERED:**

1. The petition to intervene filed by the Iowa Consumers Coalition on December 23, 2003, is granted.
2. The request for permission to appear filed on December 23, 2003, by James M. Bushee and Daniel E. Frank is granted.
